Philips' *Practical Mysticism* has been translated into English and is being read by almost everybody in England.

His influence has been felt in the work of "Theosophy" and "Theosophical Society."

His *Practical Mysticism* has been translated into English and is being read by almost everybody in England.

"What is your own name?" "Practical Mysticism."

"What is the name of the book?" "Practical Mysticism."

"What is the name of the book?" "Practical Mysticism."

His influence has been felt in the work of "Theosophy" and "Theosophical Society."

His influence has been felt in the work of "Theosophy" and "Theosophical Society."

His influence has been felt in the work of "Theosophy" and "Theosophical Society."

John Phillips - The Telegraph
