The Flame Anthem by Edwin Fawcett featuring Sylvia

(RESPECT)

There is a story that tells of the glory
That will come to those who trust their maker's heart.
Restoring justice, by unselfish service,
Is the peaceful plan in which we play our part.

(FRIENDSHIP)

If God is for us, who can be against us?
No, the crown we're fighting for won't fade away.
Though we are many, now we are one body,
Yes, we journey on together day by day.

We did not receive the spirit of fear,
But of power and love and self-control.
We will never be ashamed of our faith
For it's only in God we reach our goal.

So let the flame burn bright, ablaze with love and light,
With power to ignite this heart of mine.
I'm here to run this race, I'm moving on by grace,
Lord Jesus Christ, light of my life, come and shine!

(EXCELLENCE)

I am not perfect, but I'm pressing onwards,
I will strive to be the best that I can be.
I know my limits, but filled with the Spirit,
I can do all things through him who strengthens me.

I did not receive the spirit of fear,
But of power and love and self-control.
I will never be ashamed of my faith
For it's only in God I reach my goal.

So let the flame burn bright, ablaze with love and light,
With power to ignite this heart of mine.
I'm here to run this race, I'm moving on by grace,
Lord Jesus Christ, light of my life, come and shine!
