

Commentary on the Gospel for Wed, Jul 27th 2011

As Moses face was radiant after he had spoken to God, so we can be transformed if we have a regular prayer life. If we are serious about living in the Kingdom we will be constantly renewing our spiritual life; removing the barriers that stop us coming closer to Christ and fulfilling our mission within the Church. Don't get caught in the rat race but concentrate on the relationship with Christ.
