

Commentary on the Gospel for Sun, Sep 30th 2012

Lectio Divina

Read

- Mark 9:38-43, 45, 47-48: More stonehard sayings of Jesus about discipleship.

Reflect

- Following Jesus is really challenging and never a chance to be complacent. Jesus confronts our mediocrity not only with his hard words but his example. Are we brave enough to follow Him?

Pray

- Pray for costly grace and not cheap grace.

Act

- Are there things that hinder you from following Jesus radically? Try to overcome one today.
